Dear Ms. Ferrara and Mr. Rosmarin,

Please be advised the current extension will expire on April 2, 2018, not March 31, 2018. However, I will confer with my program clients and advise you of EPA's concurrence on Respondent's request for a 30-day extension, given the current extension's expiration date falls within the upcoming Passover and Easter Holidays. Thank you in advance.

Sincerely,

Melva J. Hayden

Dear Ms Ferrara,

I would like to request another 30 day extension to allow time for the Consent Agreement and Final order to be finalized. I realize that the previous extension will expire on March 31,2018.

I thank you for this consideration,  
Scott Rosmarin
